

SUMADHURA®

CODENAME
E-119

The Rarest Element In
Luxury Living

The periodic table lists 118 elements, but Codename E-119 stands for the 119th element that is yet to be discovered, and is **an element that defines modern luxury**. It represents precision, rarity, and the ambition that drives those who shape their own success.

Developed for achievers and families who prioritise comfort, privacy, and balance, this project creates an environment where refined living meets meaningful everyday ease, therefore being a place for those who expect more from their home and their lifestyle.

Made for those who expect more

Homes with well-planned layouts, premium finishes, and abundant light celebrate comfort and clarity in design. Spacious interiors offer more privacy, more storage, and more reasons to feel at home

The essence of measured luxury.

11.66 acres development with generous green spaces

81% open space and landscaped avenues

7 architecturally refined towers with **2B + G + 18 floors**

Surrounded by **twin lakes** for a naturally serene environment

Clubhouse that inspires **wellness and recreation**

Smart, future-ready features for everyday ease

777 exclusive residences with ample car parking spaces

Every detail elevates life. Space, light, privacy, and a neighbourhood of achievers create a lifestyle that feels truly personal. Convenience is true luxury, and every amenity here reflects that.

A view that inspires, from every angle.

No two views at Codename E-119 are the same, but each one opens to a **beautiful vista** – be it shimmering water, a tranquil pool deck, lush gardens, layered greenery or the urban skyline. This constant visual treat, paired with natural light and openness, creates a daily experience that **inspires and refreshes**.

Designed for everyday ease.

Residences and open greens are arranged for natural light, smooth movement, and complete privacy. Reflective pools, landscaped pockets, and pedestrian-friendly walkways create a resort-like atmosphere. Green corridors allow breezes to flow freely, making daily life feel refreshed and rejuvenated.

A world built around well-being.

Over **90+ amenities** create a community where **work, leisure, and relaxation** feel effortless. From **fitness zones** and **meditation corners** to **children's areas** and **open decks**, every generation finds its own space.

The **clubhouse** ties the community together with **co-working spaces, leisure lounges,** and **serene water features** that set the tone for **quality living.**

Artistic Impression

Homes that feel thoughtful.

Thoughtfully planned courtyards, seating zones and calm pockets make it easy to meet, talk and disconnect from the rush. Kids explore and play in safe, open areas, while adults find spaces to unwind, read or recharge.

The clubhouse sets the tone for lifestyle living with:

Temperature-controlled pool

Yoga and wellness studio

Badminton courts

AV lounge for screenings and gatherings

Double heighted lobby

This is a setting for aspirational, peaceful living – where your environment and routines constantly inspire growth.

SORA (TOWER 2)

- Rainwater recharge wells.
- Organic waste converters.

A growth story that continues to rise.

Marathahalli has steadily proven itself as a dependable residential investment belt, shaped by continuous demand from the city's tech and knowledge workforce. Well-planned 3BHK and 4BHK homes remain the most sought-after formats in this catchment.

Anchored in this high-demand stretch, Codename E-119 brings:

- A location aligned with real, long-term demand
 - Strong rental and resale potential over time
 - The confidence of investing in a matured corridor
 - A home that grows in value with the neighbourhood around it.

A commitment proven over three decades.

Backed by **30+ years of legacy**, **56+ successfully delivered projects**, and **12,000+ happy families** across Bengaluru and Hyderabad, Sumadhura Group brings a reassuring track record to Codename E-119. With **17 million+ sq. ft. delivered** and **40+ million sq. ft. under development**, every detail reflects smart planning and a commitment to enduring quality. Here, everyday living feels balanced, elevated, and effortlessly refined thoughtful design translated into lasting luxury.

Artistic Impression

Guided by what matters most.

Sumadhura believes true living comes from thoughtful design, where surroundings, spaces, and craftsmanship work in harmony. Each development follows four guiding principles:

Prime Location

Projects are placed where demand and growth are strongest.

Smart Design

Spaces planned for real comfort, usability, and modern living.

Quality Construction

Build standards that earn trust and last for decades.

On-Time Delivery

Commitments met, every time, a promise the market recognises.

The peace you were
Chasing now lives with you
